Be Your Own CFO

How to take a leadership role in your finances and your life

According to social and demographic trends, women are increasingly the primary financial decision makers. Even still, many women, even those who have successful careers, are not engaged in the financial planning process.

Investment Advisor Dian Chaaban, along with her partners at RBC Royal Bank's Plaza Main Branch, will inspire you to prioritize yourself by finding balance and taking a leadership role in your family's finances, viewing your home as a business.
