PRESENTED BY

If you have ever asked yourself these questions, then this panel event is for you.

- How do I organize my books and should I hire an accountant or bookkeeper?
- Do I need business insurance and what should I be looking for?
- What should entrepreneurs look for in a lawyer and how do I find one that I can afford?
- Is my brand working? How do I know?
- What are your customers saying? How do I bridge the gap from sales strategy to execution?
