Dear Richard,

Our 7th Annual Martin, Staniloff and Thal Charity Golf Classic was a huge success. Thank you most sincerely for sponsoring a hole (\$500) and golfing in this year's tournament.

Without you, this year's tournament would not have been as successful as it was. One can hardly imagine a tournament without the charismatic and dynamic Lisa Longball who shared a few Power Tips for a better game. There was very little that dampened the spirits and enthusiasm of the near sold-out crowd, not even a scorcher of a day, and certainly not the good old-fashioned camaraderie and friendship that brought everyone together. Throw in a wee tune on the pipes and drums, a bag of candy, a cold beer and a spolumbos hotdog, and you have the makings of a memorable day.

Your decision to participate in this year's tournament shows us that you believe everyone in our community deserves to experience and live in a better world. Through your kindness, we can continue to drive that change. We are committed to addressing the social issues that affect so many in our community and have done so for over 60 years. Social issues such as poverty, food insecurity, mental health and addiction concerns and feelings of loneliness and isolation.

Richard, you came through for us in a BIG way. If you played, donated, sponsored, or volunteered in some capacity, we thank you. We invited you to 'drive change for a better world' and that is exactly what you did. We simply can't thank you enough!!

Kind regards,
