August 22, 2023

Dear Richard,

Thank you so much to Rose Nagan Wealth Management Group for sponsoring a hole at the 8th Annual Martin, Staniloff and Thal Charity Golf Classic at D'Arcy Ranch.

With your support, this year's tournament turned out to be another successful year. There was very little that dampened the spirits and enthusiasm of the teams, not even the extreme temperatures, and certainly not the great camaraderie and friendship that brought everyone together to help support the much-needed services of JFSC.

Your decision to participate in this year's tournament shows us that you believe everyone in our community deserves to experience and live in a better world. The past year saw a 65.9% increase in demand/need for our programs and services. Through your generosity, we can continue to fund our much-needed programs.

JFSC is committed to addressing the social issues that affect so many in our community. Issues such as poverty, food insecurity, mental health and addiction concerns and feelings of loneliness and isolation.

You came through for us in a BIG way and for that we again thank you. You were invited to 'drive change for a better world' and that is exactly what you did.

Kind regards,

Lynn Tipper
