

EASYSWITCH TO EDOCUMENTS TO REDUCE YOUR PAPERWORK

Switching to eDocuments from paper documents is now easier than before with our new EasySwitch service. Simply call us and we will switch your personal accounts to eDocuments over the phone in minutes. If you have Internet access when you call, we can also show you how to access your eDocuments.

WHAT ARE EDOCUMENTS?

eDocuments are official RBC Dominion Securities account documents that you receive online instead of in the mail, helping you to reduce your paperwork.

GREATER CONVENIENCE

With eDocuments, you receive your documents faster and more conveniently through DS Online, which is accessible any time, anywhere. You don't have to worry about lost

documents in the mail – or delays.

In addition, you can save your eDocuments to your personal computer and print them off whenever you need.

EASY ACCESS TO PAST DOCUMENTS

With eStatements, there's no more filing – and no more hunting through old files to retrieve past documents. You will have convenient access to a seven-year-archive of past documents.

SECURE AND CONFIDENTIAL

Unlike paper documents, which can be lost or damaged in the mail, your eDocuments are protected by your confidential password and the latest encryption technology.

SECURE AND CONFIDENTIAL

We understand how important information security and privacy are to you. That's why DS Online uses the highest possible Online Security Standards to protect the information you send or receive from our secure site.

To provide you with even greater peace of mind, we have developed the **100% DS Online Security Guarantee**. With the 100% DS Online Security Guarantee, we guarantee that you will not lose money due to fraud in your RBC Dominion Securities account when using DS Online. And, in the highly unlikely event a transaction occurs in any of your other RBC accounts due to unauthorized access to DS Online, you will be reimbursed 100% for any losses in those accounts directly resulting from the unauthorized access, subject to certain conditions.†
