Join our upcoming winter webinars

Because marketing matters

Do you want more out of your marketing plan for 2018? Running from December 2017 to March 2018, our webinars will cover specific marketing and hedging strategies to help you make the most of your 2018 production year.

Hosted by The Simpson/Caputo Group of RBC Dominion Securities

The Simpson/Caputo Group of RBC Dominion Securities works with cash crop farmers, livestock producers, grain elevators and importers/exporters and shows them how futures and futures options can be used to their advantage.
