

CHARITABLE GIFT PROGRAM

Helping you create a lasting legacy

Professional Wealth Management Since 1901

It feels good to be able to support charitable causes you care about in a meaningful way. Whether you want to help fund life-saving medical research or health-care improvements, encourage artistic, environmental or educational endeavours, or help people in need, your charitable gift can make a real difference in the lives of deserving people.

If you're considering how to create your charitable legacy, you have many choices. Especially if you want to give an enduring gift, you may want to establish an endowment fund or a private foundation. Both options, while certainly worth considering, involve an ongoing time commitment to handle administrative duties, which can sometimes overshadow the real pleasure of giving.

If you prefer a more convenient alternative that enables you to make a lasting gift, while enjoying significant tax advantages, the RBC Dominion Securities Charitable Gift Program may be right for you.

HELPING YOU CREATE YOUR LEGACY

The Charitable Gift Program is specifically designed for individuals and families wishing to support charitable causes in a meaningful way, without the time and cost associated with establishing a private foundation. It is an easy, convenient way to support charitable causes you care about, today and in the future, while receiving important tax benefits.

Through this program, you can make initial and ongoing contributions to a charitable gift fund managed by the Charitable Gift Funds Canada Foundation (CGFCF), one of the leading charitable foundations in the country. The program offers several advantages:

FLEXIBILITY

You can contribute cash, appreciated publicly listed securities or other assets to the fund, then recommend grants to the charitable organizations of your choice based on the amount of accumulated investment earnings available in your account. You can also make a deferred contribution by naming your charitable gift fund account as the beneficiary of a charitable bequest, a life insurance policy, a qualified registered retirement plan, a charitable remainder trust or another existing private foundation.

IMMEDIATE TAX BENEFIT ELIGIBILITY

You receive an official charitable donation receipt for the full fair market value of your contribution. Gifts of qualifying securities may also be eligible for a capital gains tax exemption.

SIMPLICITY

You enjoy simplified, comprehensive administration of your charitable gift planning over time. A single contribution can benefit multiple charities, not only today but in the future as well. Additional

contributions can be made to a charitable gift fund at any time, producing a generous tax credit in the year of the gift.

ENDURING FAMILY LEGACY

The program helps you create an enduring family legacy fund. Like a private foundation, you can also give your fund a unique name that reflects your family's legacy, such as The Smith Family Fund for the Arts. You can also name grant advisors and successors to your fund so your family's legacy continues. If there are no surviving successors after you pass away, CGFCF will continue your legacy by awarding grants to eligible charities consistent with your original intent.

GRANT RECOMMENDATION PRIVILEGES

In addition to being immediately entitled to generous tax credits for all contributions, you can make recommendations on how account earnings are distributed to your favourite charities throughout your lifetime and, if desired, in perpetuity.

INVESTMENT STRATEGY RECOMMENDATIONS

You can recommend an investment strategy for your gift contributions, choosing from a wide range of options professionally managed by RBC Dominion Securities.

ENHANCED GIVING POWER OVER TIME

Any potential growth in assets realized within your account accumulates tax free, enhancing your ability to recommend increasingly larger charitable grants in the future.

CHOOSING THE RIGHT OPTION FOR YOU

You have many options when it comes to creating your charitable legacy. Most commonly, people simply give cash or donate property. Other options include leaving a bequest in your Will, donating an insurance policy on your life, or opening a charitable gift annuity that provides income. For larger gifts, you might consider a charitable remainder trust, endowment fund, or private foundation.

A CONVENIENT ALTERNATIVE

The RBC Dominion Securities Charitable Gift Program is designed as a convenient alternative to establishing a private foundation that is both cost effective and tax efficient.

Starting a private foundation in Canada can involve considerable start-up costs and ongoing administrative expenses, such as the annual filing of Canada Revenue Agency (CRA) information and tax returns. With a charitable gift fund, there are no set-up costs and just a low annual administration fee.

The main advantage of a private foundation is the high level of direct control it provides. However, if you do not require this degree of control, or would prefer to be free of the administrative obligations that having this control entails, then you may want to consider a charitable gift fund instead.

The following page provides an overview of the key features of a charitable gift fund compared to both a private foundation and an outright gift.
