

Aug 25-16

Good Afternoon to All

Here are some additional EXCELLENT views on Canadian real estate, especially in Vancouver, that clients maybe interested in reading.

ZERO HEDGE is a bearish web site for sure but the numbers do not lie—the recent plunge in Vancouver real estate prices and volumes needs to be followed very carefully as real estate is such a powerful support for the BC economy.

We are seeing major benefits in the Okanagan from the Vancouver boom and we will see if this recent negative impact from the 15% extra property tax trickles down to us??? We will see...

Terry

PS—I am working on CURRAN EDUCATION #2 –Corporate Insurance---which will cover the rule changes that come into play in 2017 and I want to make sure all my clients are aware of these changes...#3 will be the rules for TFSA Accounts
