

Invest in yourself

Please join us for a financial skill-building workshop

If you're between the ages of 15-25, now's the time to learn financial skills that will last a lifetime. Our seminar will help you get started by covering topics such as:

- Planning ahead – why developing your skills now will be critical in the future
- Budgeting 101 – what you must understand in order to build wealth
- Compound interest – why your greatest advantage is time, and how to make the most of it

Parents/Guardians are encouraged to attend.

Hosted by:
