

Supporting our community during COVID-19

We are proud to contribute to organizations that help provide vital services to our community, in an effort to help alleviate the stress and uncertainty currently affecting so many in the global health crisis.

During the crisis we have donated \$22,000 in total to the following local charities:

- Shoebox Program for Shelters Sarnia
- Inn of the Good Shepherd, Sarnia
- Meals on Wheels, Chatham
- Canadian Mental Health Association, Lambton/Kent
- Noelle's Gift, Sarnia

Please keep your favourite charities in mind during this trying time. Our entire team sends you and your families our best wishes to stay safe and healthy.
