Easy Online Support

Plan Administrators

Our secure, online plan administration tool is flexible and simple to navigate, making plan administration tasks fast and easy.

Plan Members

We make it easy for employees to find coverage information, submit certain types of claims and check on a claim's status. Employees can also get support online.

Proactive Claims Management and Auditing

We offer a proactive claims management and audit program to help keep plan costs down. By continually monitoring claims activity and trends, we can look for inappropriate use of the plan and take action as needed.

A Commitment to Outstanding Service

We value our partnerships with plan administrators. In response to your feedback, we continually evaluate our products and services to create an exceptional client experience.
