Feel Good Friday - Coffee is on!

Meet Hymers Private Wealth of RBC Dominion Securities
Friday morning volunteer crew at the KGH “Perking” Lot

Coffee is on! It’s Friday morning, which means you will find two team members from our group volunteering at the Kelowna General Hospital (KGH) Perking Lot (coffee shop) from 7:00 am – 11:30 a.m. If you work at KGH or are visiting a loved one at the hospital, please be sure to swing by for a coffee and a smile. Here are the friendly faces of the Hymers Private Wealth Perking Lot Crew. We are thrilled to get involved in supporting front line staff and visitors at KGH. All profits from the Perking Lot are donated to KGH Foundation each year, resulting in an annual donation of over \$1 million.

KGH Foundation’s vision is world-class healthcare at home

This vision describes the Foundation’s hope that world-class healthcare is not the purview of large cities alone. Through innovation, technology, and commitment, world-class healthcare can be made available to everyone wherever they may call home. To learn more, visit their website at www.kghfoundation.com.
