

Feel-Good Friday

Join the Hymers Private Wealth team for the Dry Feb challenge!

What is Dry Feb?

Dry Feb is a fundraising initiative that challenges you to go alcohol-free for the month of February and collect pledges to benefit the Canadian Cancer Society. The challenge is an opportunity to clear your head and improve your health while helping to advance vital research and national support for Canadians affected by cancer.

Cancer touches all of our lives in some way, whether through personal experience or someone we care about. As a team, we see Dry Feb as a great opportunity to "reset" during the pandemic, and look forward to dedicating next month to a healthier lifestyle and showing our support for those affected by cancer.

To learn more about Dry Feb, please visit their website at www.dryfeb.ca. If you're interested in joining Dry Feb, let us know so we can support each other!

Warm regards, Rhonda & team
