Feel Good Friday: Happy Lunar New Year!

From all of us here at Hymers Private Wealth, Happy Lunar New Year to everyone who is celebrating today! This Lunar New Year marks the Year of the Ox. Lunar New Year is celebrated around the world with family dinners, bright firework displays and decorations, lion dances and the gifting of lucky red envelopes. This is one of the most popular holidays in many Asian countries.

According to the Chinese zodiac, your sign is an Ox if you were born in the following years: 1925, 1937, 1949, 1961, 1973, 1985, 1997, 2009, 2021.

People born in the year of the Ox are known for their diligence, dependability, strength and determination. **Fun Fact:** Rhonda's Chinese Zodiac sign is an Ox.

While these celebrations undoubtedly look different this year, we hope all those celebrating Lunar New Year are able to do so with their families and loved ones (even from afar)! Gong hei fat choy (wishing you great happiness and prosperity)!

Warm regards,
