- Discuss international planning strategies and issues of owning foreign assets and having family members located outside Canada

Strategies

When you meet with a member of the RBC Wealth Management Services team, we will work with you and your advisor to understand your personal goals. Drawing on the depth of experience that members of our team have developed as financial, taxation and legal professionals, we are able to present strategies that are appropriate for your personal situation. Reaching your goals often requires an interaction of strategies that minimize taxation, provide sufficient retirement income, safeguard your wealth, and provide for the effective transition of assets between generations.

Solutions

RBC Wealth Management Services team members will work with you and your advisor to turn proposed strategies into actionable solutions. For example, the prescribed rate loan strategy, Spousal Loan Strategy, individual pension plans, Family Trust, and philanthropic services are all solutions that may meet your personal goal of minimizing tax. Leveraging the experience and knowledge of both your advisor and members of the team, we can assist in determining which solutions can best allow you to reach your family's goals.

Implementation

Your advisor will work with your own tax and legal advisors and members of the RBC Wealth Management Services team to effectively execute on the strategies and solutions that will help you to reach your personal goals and bring you peace of mind.

Your unique financial situation requires specialized advice

The professionals within RBC Wealth Management Services work with you and your RBC advisor to help meet your goals and uncover opportunities for you. Some examples of the situations in which we can help include:

- Help managing your personal, holding company and business financial assets
- Assistance in structuring your affairs to both safeguard assets and minimize taxes
- Grow and protect their wealth
- Individuals looking to balance their current needs with a savings strategy that will help them achieve their long-term financial goals
- Retirees requiring strategies that will maximize their income after taxes while preserving their capital for the long-term
- Families looking to efficiently transfer accumulated wealth to the next generation
- Parents and grandparents looking to fund the educational and living costs of their offspring in a tax efficient manner
- Business owners looking to tax-effectively transition their businesses
- Charitably inclined individuals who are looking for their donations to provide maximum long-term benefit and value
- Individuals with U.S. and international connections requiring specialized tax and estate planning assistance

Whether your goals include transitioning from your practice into retirement, planning for your children's or grandchildren's expenses, or your desire to leave a family legacy, RBC Wealth Management Services team members can provide advice and suggest strategies to achieve your goals in a tax efficient manner. Your RBC advisor can build on these strategies by suggesting potential solutions, which can then be implemented in coordination with your own tax and legal professionals.
