## Recording of Jim Allworth's Economic and market update

Dear clients,

Last week, we had the opportunity to have Jim Allworth, Chief Investment Strategist of RBC Dominion Securities provide his insights into the current economic and market circumstances.

We have had so many of our clients reach out to us about when this replay would become available. If you were not able to join this call as it occurred, we now have the replay available for you below.

Most of you have heard Jim speak in the past, and understand how much we value his knowledge and understanding of the economy, based on his many decades of experience.

We highly recommend that every client listen to this conversation, as it will provide an excellent overview of what is going on in the world today, with respect to stocks markets, real estate, interest rates and inflation.

**Please click the link on our website for a recording of the talk Jim gave on July 12<sup>th</sup> where he shared his insights behind today's economic and market circumstances.**
