Dear Karim,

I can't thank you enough for your recent gift of securities in support of Daily Bread Food Bank. Your donation is already at work, making an immediate difference in the lives of our neighbours.

Like you, we believe that no one should go hungry or face barriers in accessing food. As poverty rates soar and the hunger crisis worsens in Toronto, your support will help ensure that some of our city's most vulnerable – including the 29% of food bank clients who are children – can access the nutritious food they need to be healthy.

As a supporter, you know that people who use the food bank are in crisis. A typical household accessing food banks has an income of only \$892 per month. We also know that after paying for housing, food bank clients have less than \$8.00 per day to pay for all other basic needs – including food, clothing, and transportation.

Thank you for providing a lifeline for families that need it most.

If, at any time, you have questions about your donation or the work you make possible, please don't hesitate to get in touch. We would love to hear from you.

In partnership,

Neil Hetherington
