

Bruce Trail hike for charity – 2017

In support of World Partnership Walk
and Amani home of Street Children

Karim supports many charitable causes as his way to teach his children and give back to the community. This includes climbing Mt. Kilimanjaro in his birthplace of Tanzania in support of Amani, home for street children in Tanzania, to climbing Mt. Atlas in Morocco in support of World Partnership Walk, which raises funds to help end global poverty.

It also includes less strenuous activities like this year's three-day hike along the Bruce Trail to raise funds for both of Karim's favourite charities, World Partnership Walk and Amani. 100% of the funds donated will go towards helping the less fortunate and tax receipts are provided.

For further information, please call Karim or go to his website at www.karimvisram.com
