

Viewing Your Accounts Online

Step 1: Log into www.hasswealth.com. From the drop down menu at the top of the screen as outline below, click 'sign in' and select DS Online.

"Simplifying the Details."

We Believe...

1. We believe in working with a small number of clients so we can provide outstanding service every time ...without exception.
2. We believe in recognizing the significance of the trust placed in us.
3. We believe in delivering conflict-free advice.

Step 2: Fill in the appropriate fields outlined by yellow arrows below and click 'sign in'. This password is the same as your websecure password.

The image shows the sign-in page for Dominion Securities. On the left, there are navigation links for 'DOMINION SECURITIES', 'SECURITY & PRIVACY', and 'OTHER ONLINE SERVICES'. The main sign-in area includes fields for 'Client Card Number' (containing '4519'), 'Password', and a 'Go to' dropdown menu. A 'Remember My Client Card Number' checkbox is also present. A yellow arrow points to the 'Client Card Number' field, and another points to the 'Password' field. Below these fields are 'Sign in' and 'First Time Sign in' buttons. To the right, there are links for 'NEW S AND INFORMATION' and a 'Sign up for eStatements' section. At the bottom, there is an 'Important Notices' banner with the text 'New Features and Enhanced Account Information - Coming Soon!'. The footer contains the text: 'This web site is operated by RBC Dominion Securities Inc. © Royal Bank of Canada 2001 - 2016.'

Step 3: The first time signed in you will need to set up personal verification questions . Once you complete them, it will bring you back to the same questions to ‘confirm’ them.

1. Client Identification
2. Enter Password
3. Personal Verification Questions
4. Confirm Answers

Personal Verification Questions

Please select 3 questions and enter an answer for each question.

While we recommend that you select from the questions we have provided, you also have the option to create your own.

Be sure to protect the answers to your Personal Verification Questions as you would any password:

- Don't write down or share your answers with anyone; keep this information confidential.
- Select questions with answers that are easy for you to remember but difficult for others to guess.

To learn more, please visit [About Personal Verification Questions](#).

* Required Information

Personal Verification Question 1

* Question:

* Answer: (4-20 characters)
