The financial well-being of your employees is important to the success of your company. RBC Group Advantage™ can help you attract and retain top talent and enhance productivity by putting your employees on the path to financial wellness. Our program is based on advice, support and the strength of RBC Royal Bank® behind you.

Get our team working for your team

Working directly with you, your HR department or your payroll personnel, Scott will build a tailored solution that meets the goals and objectives of your organization as well as the needs of your employees. Once Scott understands your specific requirements to customize your company's Group Savings and Group Banking program solution, he will support and guide you through the development and implementation process.

With RBC Group Advantage, we will be there every step of the way to ensure your company maximizes its benefits while also streamlining the administration of your plan.

With 15 years of experience within the financial services industry, earning designations regularly, Scott brings the expertise required to provide specialized advice that will optimize the benefits to you and your employees.

You will find Scott's contact information to the left. Should you have any questions or require additional information, please don't hesitate to contact Scott. He is looking forward to helping you create a solution that is right for your business and your employees.
